Incoming Seniors Use this document to plan your course requests.

As you begin to plan for your 12th grade year at Parkland High School, use this document to guide you through the course selection guide. It is highly recommended that you fill in this document first before completing the online course registration. Doing so will make this process easier and faster for you and your parents. It will also ensure that you have selected all required courses.

STEP 1: CHOOSE YOUR REQUIRED COURSES

- The courses listed in the chart below are REQUIRED.
- Make your selections using the "REQUIRED COURSES" list on the following page.

SUBJECT	TITLE	COURSE NUMBER	CREDIT

Senior Course Registration Information

ONLINE COURSE REQUESTS: DIRECTIONS FOR STUDENTS

Below shows the process that students will follow when registering for courses for the upcoming school year. The pages thereafter show which courses are available for students in each school year, grades 9-12. Students are encouraged to keep this information handy when they complete their online course requests. Questions/Problems? Please follow up with your child's guidance counselor.

1 Log into Home Access Center: pldhomeaccess.spihost.com

2 Click **Classes** then **Requests**

3 For **each Department** click **Edit**. For example, English:

4 Select the course. For example, English 3 CEW:

Course Status Key: Required Suggested Locked Incomplete Prerequisite Alternate Request

Request	Description	Course	Credit	Alternate
<input checked="" type="checkbox"/>	English 3 CEW	136	1.0000	--- Make Course an Alternate ---

• Some courses may not be available if you did not take the prerequisite. For example, English 4:

<input type="checkbox"/>	Incomplete Prerequisite English 4 Cp	142	1.0000	--- Make Course an Alternate ---
--------------------------	---	-----	--------	----------------------------------

• Semester long courses together will become available if selected in sequence. For example, Creative Writing 2 is unavailable until you select Creative Writing 1:

<input type="checkbox"/>	Incomplete Prerequisite Creat Write 2	168	0.5000	--- Make Course an Alternate ---
--------------------------	--	-----	--------	----------------------------------

• Click **Save** when finished.

5 Repeat this process for all required departments.

6 Choose your alternates. For example, Painting 1 in the Art Department. Remember to adjust the Alternate column as shown below:

Course Status Key: Required Suggested Locked Incomplete Prerequisite Alternate Request

Request	Description	Course	Credit	Alternate
<input checked="" type="checkbox"/>	Painting 1	701	0.5000	Alternate to Any Course

4 Year Planning Document

Filter by department, grade level, weight, career pathway, dual credit and more within The Digital Course Selection Guide! Use this document to plan your course requests.

PHS students complete course registration online. This page is meant to be used as a 4 year planning document. The chart below can be used for students to reference as they plan their courses of study during their high school tenure. Students can also use this when meeting with their guidance counselors about course planning.
